

# Workplace Flu Shot Clinics

## Sign up Today

**We expect a higher demand than usual**, so secure your clinic now. We can administer COVID-19 vaccine or booster shots too.

Employees need our support now more than ever to overcome the barriers that are preventing them from being the healthiest version of themselves. Let Wellness Coaches help you drive lower healthcare costs with a turnkey, in-person, flu vaccination clinic. Our onsite flu shots and voucher program are covered under many health plans.

Improve your workforce health by helping prevent employees from getting the flu or COVID-19 and reduce absences due to illness. Most importantly, reinforce a supportive company culture by showing your employee population that they are respected and appreciated.

### All Inclusive

Our flu shot services are all inclusive. In addition to the vaccine and all supplies needed to administer it, we provide a dedicated account manager, a free online scheduler and the nursing staff needed to administer the shot.

### Simple and Professional

We're not just a wellness company, we are your trusted and responsive partner known for being quick, flexible and experienced. Our licensed clinical staff is standing by now.

### COVID-19 Vaccines Also Available

Let us transform your clinic into a full immunization event by also providing COVID-19 vaccinations and boosters.

**Many employers choose Wellness Coaches because we are different.** We've transformed the way healthcare services are delivered. Our personalized approach produces best-in-class engagement rates, risk reduction, and health improvement outcomes.

## Scheduling Your Flu shot clinic is as Easy as 1,2,3!

### STEP ONE

Contact us by clicking [here](#).

### STEP TWO

Pick the date and time and we will provide you with promotional materials.

### STEP THREE

Spread the word to your population. Employees will then sign up to connect with a nurse onsite to receive the flu and/or COVID-19 vaccination.
